

# TASMANIAN **BUDGET** 2021-22

## Securing Tasmania's Future • Delivering Our Plan

---

### **JOBS**

Growing our economy, creating jobs, supporting business, and connecting the skills and training Tasmanians need to grasp the opportunities ahead.

### **INFRASTRUCTURE**

An ambitious \$5.7 billion infrastructure program to support jobs, and build better, safer and more connected communities.

### **HEALTH**

A record health investment of \$10.7 billion\*, to make a significant difference to our health system, and the health and wellbeing of Tasmanians.

### **EDUCATION, SKILLS & TRAINING**

A record \$8 billion\* in education, skills and training to enable Tasmanians to get the jobs that will support and drive our economy forward.

### **HOUSING**

A record \$615 million into social and affordable housing, and homelessness initiatives to help more Tasmanians in need.

### **CLIMATE ACTIONS, ENERGY & ENVIRONMENT**

A whole of Government plan to guide climate action to protect our environment, and harness Tasmania's competitive advantage in a renewables future.

\*Over four years.
