The Hon. Nick Duigan MLC
Liberal Member for Windemere

Dear Mr Duigan

CHANGE TO MINISTERIAL RESPONSIBILITIES

Congratulations on your recent appointment as Minister for Sport and Events, in addition to your existing responsibilities as Minister for Energy and Renewables and Minister for Parks.

Our Government must continue to focus on delivery, and our 2030 Strong Plan for Tasmania's Future will help guide our delivery narrative. Further, I would appreciate it if you prioritise and focus on the below goals and objectives:

- Take all necessary steps to see construction commenced on a new wind farm in our state to increase our renewable energy generation capacity.
- Work with all shareholders to ensure the Marinus undersea cable continues progressing, which will supercharge our renewable energy industries and unlock significant economic activity.
- Make energy policy decisions focusing on ensuring Tasmanians continue to have the lowest regulated power prices in the nation.
- Ensure Hydro Tasmania finalises energy supply agreement offers to the state's major industrials.
- Work with the Minister for Planning and Minister for Environment to streamline approvals processes for new energy industries.
- Ensure High-Performance Centres for the Tasmanian Devils and JackJumpers are delivered.
- Upgrade our parks across the state per the 2030 Visitor Strategy, including progressing the Next Iconic Walk.

I look forward to meeting with you regularly to assess progress in meeting these goals.

In addition to the above, I note that we have released our third 100-day plan and ask that we continue to drive delivery of these plans that provide the public with regular updates on our Government's achievements.

My Office looks forward to collaborating with your team to ensure we collectively deliver on our Government's strategic objectives. Further, we would like to collectively reassess any areas within your responsibilities that may not be meeting our Government's strategic objectives so that our efforts can be focussed on meeting the above goals.

My team and I are here to support you and your office and can provide any assistance you may require in progressing toward our shared goals and objectives.

Congratulations on your appointment, and I look forward to working with you to deliver for all Tasmanians.

Yours sincerely
