

PREMIER OF TASMANIA

1 NOV 2024

The Hon. Jane Howlett MP
Liberal Member for Lyons

Dear Ms Howlett *Jane*

CHANGE TO MINISTERIAL RESPONSIBILITIES

Congratulations on your recent appointment as Minister for Hospitality and Small Business, in addition to your existing responsibilities as Minister for Primary Industries and Water, and Minister for Racing.

Our Government must continue to focus on delivery, and our 2030 Strong Plan for Tasmania's Future will help guide our delivery narrative. Further, I would appreciate it if you prioritise and focus on the below goals and objectives:

- Continue with the Agri-Growth 2050 Vision.
- Maximise opportunities for water development and bio-security protection.
- Drive red tape reduction for small businesses.
- Support the growth of the hospitality sector and drive reform to ensure harm minimisation in gaming.
- Start work with the racing industry to negotiate the next 20-year racing deed to ensure the financial sustainability of the industry.

I look forward to meeting with you regularly to assess progress in meeting these goals.

In addition to the above, I note that we have released our third 100-day plan and ask that we continue to drive delivery of these plans that provide the public with regular updates on our Government's achievements.

My Office looks forward to collaborating with your team to ensure we collectively deliver on our Government's strategic objectives. Further, we would like to collectively reassess any areas within your responsibilities that may not be meeting our Government's strategic objectives so that our efforts can be focussed on meeting the above goals.

My team and I are here to support you and your office and can provide any assistance you may require in progressing toward our shared goals and objectives.

Congratulations on your appointment, and I look forward to working with you to deliver for all Tasmanians.

Yours sincerely

Jeremy Rockliff
