

PREMIER OF TASMANIA

1 NOV 2024

The Hon. Jacqui Petrusma MP
Liberal Member for Franklin

Dear Mrs Petrusma *Jac*

CHANGE TO MINISTERIAL RESPONSIBILITIES

Congratulations on your recent appointment as Minister for Health, Minister for Aboriginal Affairs and Minister for Veterans Affairs.

Our Government must continue to focus on delivery, and our 2030 Strong Plan for Tasmania's Future will help guide our delivery narrative. Further, I would appreciate it if you prioritise and focus on the below goals and objectives:

- Continue to end hospital ramping.
- Reduce Emergency Department waiting times.
- Reduce ambulance waiting times.
- Lower elective surgery and outpatient waiting lists.
- Drive an increase scope of practice provisions in our pharmacies in conjunction with Minister Jaensch.

I look forward to meeting with you regularly to assess progress in meeting these goals.

In addition to the above, I note that we have released our third 100-day plan and ask that we continue to drive delivery of these plans that provide the public with regular updates on our Government's achievements.

My Office looks forward to collaborating with your team to ensure we collectively deliver on our Government's strategic objectives. Further, we would like to collectively reassess any areas within your responsibilities that may not be meeting our Government's strategic objectives so that our efforts can be focussed on meeting the above goals.

My team and I are here to support you and your office and can provide any assistance you may require in progressing toward our shared goals and objectives.

Congratulations on your appointment, and I look forward to working with you to deliver for all Tasmanians.

Yours sincerely

Jeremy Rockliff MP
Premier
